

WHAT TO PACK FOR YOUR STAY AT UMNGAZI

www.UMNGAZI.co.za

We would like your experience with us to be as comfortable and memorable as possible and we recommend packing the following:

ITEM

| | |
|---|--|
| From June to September be sure to pack a few warmer items for cooler mornings and evenings. Days are warm, but a jacket/fleece will be needed for the sunset cruise or sundowners on the deck. | |
| Light clothing (From October to December temperatures rise and cool) | |
| Comfortable walking shoes for our guided walks, track shoes or boots will be suitable as well as sandals to wear around at meals and within the lodge area. Rock shoes are also a good option for fishing on the rocks. | |
| Shorts or skirts and short-sleeve shirts for the warm midday periods. | |
| Swimming costumes & beach towels. | |
| Sun block, sun hat, sunglasses and lip balm. | |
| Mosquito / insect repellent (Umngazi is malaria free area). | |
| Extra pair of correction glasses (if you wear them). | |
| Contact lens solution and an extra set of contact lenses (if required). | |
| Cameras, binoculars and your favourite film. | |
| Spare memory card if you use a digital camera. | |
| Video camera and a spare battery. | |
| Each room is equipped with basic amenities and hairdryers are available from front office. | |
